Dear Mr. Weisberg:

I take note of the issues you raise in your letter of July 18. You are, however, mistaken on two points: 1) I do not believe Howard Donahue's theory and never have, and 2) I do want to learn every fact that is available about JFK's assassination.

I am sorry that you have given me up for hopelessly credulous and closed-minded. I am under the impression that you may be basing your decision to do so on an incorrect assessment of how I think.

Very truly yours,

Robert Katz
